The Contemporary Sculptors Association (CSA) is a not for profit artist run initiative (inc 1997). The CSA manages the Yarra Sculpture Gallery, with sponsorship from the City of Yarra. The CSA is run by a volunteer committee whos mission is to expand audiences and provide opportunities for Australian sculptors at all stages in their careers.

Your membership entitles you to our weekly email sculpture update, openings to exhibitons at the Yarra Sculpture Gallery and invitations to special CSA member events.

Without sponsors and your membership we would not exist.
